

Our Solution: AI-Powered Coding Platform

NeuroFlo's AI Platform

- Automatically extracts CPT/ICD-10 codes with 98% accuracy from operative notes
- Reduces coder workload by 70% and billing cycle time by 40%
- Unlocks real-time KPIs on mortality, LOS, readmissions, complications, costs, and patient satisfaction
- Built for compliance: HIPAA, SOC 2, and EHR-integration ready

" NeuroFlo isn't just coding automation — it's the intelligence layer hospitals have been missing. "

How It Works

 **Speed**
40% faster billing cycle

 **Revenue**
12% increase in capture
